“ My heart beats a bit slower without Uncle Danny in my life. I am so sorry that we have lost a man who always seemed to know what to say or do to make everyone feel better. Losing someone who we loved and was a big part of our lives is not easy. But just knowing that we were a part of his life is truly a blessing. I know that when Uncle Danny was at the gates of heaven, Dad, Grandpa, and Bubbie were there waiting with a big smile on their faces. Perhaps now, Uncle Danny will forgive dad for losing his submarine. I wish I was able to be there. I miss you all very much.
