We are so sorry for the loss of your wonderful "Darren". As your Toronto cousins we have some great memories of our many get togethers sharing simchas over the years. Darren was such a gorgeous happy kid and our families always looked forward to sharing the fun on our trips to Detroit and your trips to Canada. He will be missed and may his memory be a blessing to all of you. We send our love and prayers Harriet and joey Brown and Family.

“ Hessenthaler family - we are so very sorry for the loss of Darren, a wonderfully kind friendly human being. Never was there a time that he didn't say "hi" and ask how things were with our family when we would see him. May his memory be a blessing; May his life be celebrated.

“ I'm just heartbroken to hear this. I met Darren when we were at Camp Tamarack a million years ago. Through high school, Michigan State and a whole bunch of wonderful times and memories together, he always had a hug and smile for me every single time. I will miss him. Sending love to Laura and their children.

My deepest sympathy to the family. I know Laura professionally and never had the honor of meeting Darren, although I was aware of his illness. The people who knew Darren tell me he was an amazing person. I know this is a tragic loss for the family. I'm thinking of you and again express my condolences to the entire family.

“ *I am so very sorry to see this. I saw Darren for the first time in many years when we were both wearing masks waiting for our infusion at U of M. He was full of hope and when he pulled his mask down he had that great smile. So very sorry, may his memories be a blessing.*

I am so sorry to see this. My deepest condolences to all of you. Darren was such an amazing man and battled like a true warrior. I so enjoyed working with him while on the school board at BS. Unfortunately I won't be at the funeral as we are in Fla. for a family simcha. May Darren's memory be for a blessing and may he rest in peace.
