“ *It is with the greatest sadness that I learned of my cousin David's passing. While we have not seen each other in many years, I have the fondest memories of David during our childhood. His quick wit and perpetual smile were always an inspiration to me. I hope that the memories you, his family, have of David, will always be a source of inspiration to all of you. I send you my deepest condolences and the knowledge that I am sharing your sorrow.*

*Fondly,
Judy Allen Kaufman*

“ I have so many wonderful memories of David. I remember his kindness, and his menschlichkeit. I remember that when my late husband David Abramson learned that his brother Donald had died, David Fauman was the first person he called. David simply said to my husband, "I will be right over". And he was. And I remember the many Thanksgivings that the Faumans and we, the Abramsons, worked together to cook and deliver Thanksgiving dinner for the police officers and firefighters in Ann Arbor. It was an amazing undertaking, and one that was inspired by David Fauman and his memories of his grandfather, I believe, who had done something similar. David Fauman was a mensch and I am blessed to have known him.

“ Dear Charlotte, Naomi and Rachel, my heart is broken over the loss of your Father David Aaron. Sharing a first name with a first cousin, was a tribute in itself to each of us and our Grandfather David Fauman. I have so many wonderful memories of my childhood with your Dad, as I am sure you know that the Allen's spent a lot of time in Detroit. So many family occasions. My love goes out to all of you and the extended family. My David's name be for a blessing!!
