David J. Rosen, age 67, of Birmingham, passed away on April 25, 2025.

David was a man of exceptional spirit - vibrant, funny, and endlessly generous. With a colorful personality and quick wit, David lived a life rooted in connection, loyalty, and love. In his youth, David was a tremendous athlete, playing softball, volleyball, golf, and tennis. He coached volleyball in the Maccabi Games in 1986. He traveled out west to go skiing and to Georgia for the Master's.

David maintained lifelong friendships and made new ones wherever he went. He had an unmatched ability to connect with people. David spent his career in the tire business and later became a partner in JAM Best One Tire.

David's greatest joy came from his family. Whether it was listening, supporting, cheering from the sidelines, or simply being present, David showed up. He was there for everyone - without questions, without judgment.

David is survived by his wife, Miriam Rosen, his children, Aaron (Hannah) Rosen and Sydney (Nick Jones) Rosen. He was the cherished son of the late Iris and the late Leo Rosen, the loving brother of Karyn (Barry) Shatzman and Mark (Anne) Rosen, uncle of Scott (Katie) Shatzman, Stephanie Shatzman, and Carly and Jenna Rosen. He was the dear son-in-law of Joyce and the late Eli Labiner. David was also the favorite human of Frida, the family's dog.

He will be remembered for his humor, his sarcastic spark, and his unwavering commitment to the people he loved. He will be deeply missed by all who knew him.

“ *I remember playing on the same softball team with Dave. One time an opposing player made a snide anti-Jewish remark. Without missing a beat Dave walked off the field and refused to continue playing. He had so much integrity and he wasn't about to compromise his values. I remember and admire his action to this day. He will be missed.*

“ *Dave was a wonderful friend and associate. He advocated for his customers, represented his employers and worked with his suppliers to create win/win/win situations for all parties. His humor and humanity were what made working with him so much fun. God Bless him and God Bless his family in this time of grieving. He loved you all very much and was so proud of every one of you.*

“ When we were in high school one Devil's night (October 30th), groups of kids would roam the neighborhood looking for the pranks pulled off that night or prank homes in the neighborhood. That year, David had the idea for turning on the pranksters.

David owned a refillable fire extinguisher. We filled it with water and air. David had a Volvo station wagon with a bench 2 seater was facing backward. 6 of us piled in with David, while he scouted the groups.

As we drove through a group of kids, the guys in the backseat would open the tailgate and spray the group. All was working according to plan till we came upon a group of bigger kids and they started chasing us. David got us out of there safely.
