“ I worked with Dave on occasion on Detroit EMS, he had a witty, brutal humor as I did so we got along good. Whenever someone asked how to get on EMS his reply was always this...you're better off selling shoes, in a way he was right.

“ Dave was a longtime friend (48 years) that I met when he worked Detroit EMS and I worked in a local Detroit ER. We shared many conversations over the years...some happy and funny, others serious when one of us was going through various challenges. He was a good friend with a quick wit and quirky/funny sense of humor.

One of my fondest memories with Dave was his teaching me to rock climb (when we were much younger) at Grand Ledge. Fun times and great memories!

My last text from Dave was February 27, while I was traveling out of the country. I regret that I'll miss paying my final respects at his funeral, as I will still be out of the country.

Rest peacefully, my old friend.

“ Dave was instrumental in meeting my beloved wife, Esther. We actually argued over her in a toilet stall at a Rams restaurant. I met Dave at a divorce support group.

Sad to hear of Dave's passing. I worked with Dave on and off over the years since the late 90's. He was very caring, sharing and giving person. Will miss the long phone conversations too. RIP good buddy.
