“ *Dave and Lottie were cherished members of both the labor/management relations community as well as the Detroit Jewish community. Dave was a generous friend and colleague to my then-husband, Mark, and to me. Lottie, equally warm and generous, helped me greatly with my first (and only) trip to Israel. I prize their friendship. “ *I was honored to meet David in the mid-eighties when I worked for Tom Turner, President of the Metro Detroit AFL-CIO. Our relationship continued given our common interest in labor/management relations and, most probably, because I was one of the very few Jewish leaders in Michigan's labor movement. What a smart, warm, caring individual. I was honored to know him.*

“ I remember having many a shabbos meal with Howard and Mr & Mrs Tanzman. Mrs Tanzman would give each of us our own Lechem Mishnah. What great hostesses. Howard & I grew up literally together and spent so many days playing in the basement on Sherood Ct. Played pool played with the juke box played basketball. I still remember when Dave was president of Akiva back in the 60's. How many chagging we ate in the Succah. May Dave & Lottie Tanzman rest in peace. May their memory live on. May the family be comforted with the mourners of Israel

“ My thoughts are with you all. Your family, led by your father and mother were a lifeline during the 1960s when our family moved to Michigan. We celebrated holidays at your home...I fondly recall Pesach... and I recall one Thanksgiving when you joined our home in Southfield for Kosher TV dinners. Karen and Elaine traveled with me on one of the early USY Pilgrimages in 1965. Two years later, I met my husband at Elaine and Karen's high school graduation party. What stars your dad and mom continue to be...in all our eyes, minds and hearts.
