“ To Irwin and Family,

*We are so shocked and profoundly saddened to have heard of Davida's petirah. As was spoken about at the levaya (watched it on zoom), Davida a'h was a staunch believer in the emes, both Bein Odom LaMokom and Bein Odom Lachaveiro, and did her best to pursue it for herself and as ab advocate for others, especially her students. She joined you in being absolutely inspirational in your acceptance of your nisoyonos.*

*May Hashem give you strength to continue the legacy of emunah and always wanting to do (and doing!) the right thing.*

“ As a teacher, we are proud to say she taught our children. As a neighbor, we fondly remember how she was there when needed and would watch out for our home whenever we were away. She was a nice person and a good friend.

“ We have been across the street neighbors for almost 34 years. Davida would always say hello to our dogs from across the street when they would bark hello. It will be strange not to see her. May your memories bring you comfort and be a blessing. Fondly the Sternbergs

I worked with Davida at Yeshiva Beth Yehudah. She was friend and a mentor. Always willing to help. She will be missed. May her memory be for a blessing.

Davida had an amazing perspective on life. She truly demonstrated her emunah daily. She loved her family. We miss her already.

What can you say about such a person? She was an incredible woman who gave so much to everyone she knew. I know I always enjoyed speaking with her about everything! May her Neshama rise to its lofty place near the Kisay HaKavod! She is finally together again with her beloved Chani. May she always be a Meiletz Yosher for her lovely family and all of Klal Yisroel. You will be sorely missed! With heartfelt love and our deepest sympathies, The entire Feuerstein Family

*I was so happy to be with her, speak with her and reminisce with her at her granddaughter's wedding, which was really a Detroit affair. Living away from Detroit now for almost 2 years it was great and wonderful to see so many familiar faces and former neighbors and friends. We schmused for a little bit, shared memories and had a great time sitting together. I did not expect it to be the last time. But I will always share those memories and friendship we developed over the years living in Detroit. She was a great teacher and was the favorite teacher of my son Avi at the Yeshiva. Hamakom yenachem otcha betoch Aveilei Tzion veYerusahalyim. May she a melitz yosher for you and your whole family and for Klal Yisroel. Our thoughts and prayers are with you Mister Baseball*
