“ *Deb, I never had an opportunity to meet you, but saw/heard how well-loved you were by Steven and my sister, Beth. That tells me enough about who you were. I'll look forward to meeting you in Heaven. I'm so sorry for your family's loss of your earthly presence. Heaven's blessing, Carol Gravenstein. Topeka, KS*

“ *I have a lifetime of wonderful memories of my Aunt Debi. Some of the best were while playing Knasta and watching movies when she'd come sleep over. Aunt Debi, you will be missed dearly. I love you and hope you are with my mom and at peace. Love, Jenny Schneid*

To all Debbie's family and friends, my condolences. Debbie used to babysit me when I was just a kid. (I am her brother' Mel's niece) I used to look forward to her coming over because she was always a lot of fun. She had so much energy, talked a mile a minute, and always made me laugh. Plus, she always took my side if I got in trouble and was never afraid to say what she thought. She was the best! So sorry to hear of her passing ...I will always have good memories of her.
