“ I am a first cousin to Diana. (My father and her father were brothers.) There are so many memories growing up together. I always admired her so much and wanted to be just like her to the point when my twin sister Lorraine and I played with our dolls, I would change my name to Diana. I will always remember her for her love and devotion to family and her love of Judaism. She will truly be missed by all who knew and loved her. Love, Marion Bronstein

“ A Woman of Valor aptly describes Diana. She was the most loving, caring, selfless giver of anyone I have known. She cherished being a wife, a mother, and Jewish woman. We watched our children grow up together, we shared values and confidences. When our children grew into adulthood and had their own, busy lives, Diana and I would meet for coffee once a week and spend some golden moments together. We laughed together and we cried together. She was the most truly nonjudgemental friend I had, and her kindness was superseded only by her understanding of herself and her acceptance of others. I will miss her ... I will really miss her.

“ I am so sorry to hear about Diana. We go way back and don't think any of you know who I am, but Diana and I had the same Uncle Jake and Aunt Molly. Uncle Jake was on my mother's side and Aunt Molly was on the Fine side. Please accept my deepest condolences. May she be in peace now and out of any pain she may have had.
Sincerely, Barbara Geller

I was so sad to hear of Diana's passing. She was the cream of the crop. Always a warm hug, smile and welcome when I saw her. I babysat Marni and loved hanging out with Diana and Joel. If I could go back in time this would be top of my list. Much love to Joel and the family. Robin Gunning (Gussin)
