“ Dear Farber family, I truly admired Folires for her vim, vigor and vitality!!!! She was always involved and ready to do everything including all those years of skiing. She also was a good person who will surely be missed. Please accept my sincere condolences. Fondly, Bluma Schechter

“ The Farbers lived down the street from us, on Custis in Southfield. All the kids on the street were close in age. My deepest condolences. May her memory be for a blessing.

“ *What a perfect eulogy. We always talked about what we wanted and I know this is what she would have wanted. I will miss her more than words can say and am so sorry that we could not spend these last months together. I promise to look after your dear Leonard and not fight with him, I will miss you every day at lunchtime. So heartbroken, Sally*

“ Dear Farbers,

As a child your mother was my second mother and your house my second house. Your parents traveled to Europe frequently with my parents. I so remember your mother gathering the kids of Audrey and taking us all to Ramblewood. I was fortunate enough even though I moved 2,500 miles away to maintain my relationship with Delores.

It was a tradition that each time I visited Michigan Lynne, your mother, my mother and I would have a Thursday night at Pepinos. My mother Vera Schey died to the day 3 years before Delores died. But we continued our tradition during any visit I made to Detroit for the last two years to have Thursday night at Pepinos, Delores, Lynne and me. It is with much sadness that on April 11th 2019 Lynne and I will be asking for a table at Pepinos without either of our mothers. They will be with us in memories, stories, and love.

I wish I lived closer so that I could express to each of you my love for your mother and for you Uncle Leonard the love I felt for your wife and now the love I sent each and every one of you.

With much sadness yours Judy Schey Keehn

“ *I met Dolores many years ago at the JCC. We took fitness classes together, walked the WB trail together, served on the JCC board together. We have shared many special birthdays together with friends. Dolores was a true friend. I always respected her opinion and will miss her deeply.*

“ *I'm very sad to hear of Aunt Dee's passing. She was such a positive person. One of my best memories of her was taking a morning walk by the ocean in Florida. I will always treasure having her in my life.*
Love, Ronna
