Dolores was such a kind and caring individual. I am going to miss her phone calls and wisdom. She was a messenger from God.

“ *My heartfelt condolences to all her family. Dee was always a Wonderful Friend. There wasn't a Holiday or event that didn't go unnoticed or uncelebrated. If you were lucky enough to be close to her, there was always a card for every occasion filled with warm wishes and sincere sentiment. I will miss her dearly and as promised, will never forget her. Love you Dee.*

“As your caregiver at Stratford House you have touched my heart. It was an honor and pleasure taking care of you Dolores and I loved how each day I saw me you, you would tell me how happy you are to see me. Especially last week, you looked me deep into my eyes, placed your hand on my cheek and told me,

“I am thankful you take care of me every night you come to work, I am at ease and able to sleep at night knowing that a guardian angel is here with me. I love you and your mom Jose.”

I will miss you very dearly Dolores. I am glad I was with you at the hour of your passing and that I was able to make you comfortable as much as possible. Rest In Peace Dolores ❤️

“I’m going to miss my big sister. She was a great storyteller with a sense of humor. Sisters share a special bond and family ties. I will miss our visits and phone chats. We may have lived 2400 miles apart for the last 4 years, but you will remain always in my heart. RIP dear Dolores.
