*Dearest Jan and all family and friends of Dolores, especially the longtime friends I was blessed to meet, what a pleasure to get to know Dolores at Hechtman. we saw each other multiple times daily and nd each day in the Fireside Lounge just before dinner. It was a pleasure to be with or around her as she enjoyed coffee, Bingo, musical entertainment and so much more. I regularly commented on her beautiful sweaters. She shared dinner with 3 friends who became so close and created enjoyable dinnertimes together. Thank you for sharing Dolores with me as she lived a joyous life at Hechtman. I was honored to spend some time Dee on Thursday, the day before she took her final breath. She is at peace. May her memory be a blessing.

“ *Dee I am so blessed to have known you for 14 years. You trained me when I first started out at Contractors Fence Service. We became very good friends. When I lost my Mom and Dad you were ALWAYS there for me. You are not only my dear friend and co worker but my 2nd Mom. We became family. I will miss our texts, weekly phone calls and your advice. I am so happy I was able to see you this past week with Marilyn. I enjoyed our cuddles and holding your hand. May you rest in peace. I miss you. 🥺💔😭*
