Jerry & I have know Don since Beth Achim. As others have stated he was always involved in the synagogue. When we lost our eldest son Don & Judy came to visit us and offered their support and it was never forgotten how much it meant to us. Our prayers go out to the family. May Don's memory always be for a blessing!

Don started out as a favorite patient at Cruz Hearing and ended up being a treasured friend. He and Judi included me in their family Passovers for years, making me feel like family. Don was the true definition of a Mensch. He was goodness, personified. His legacy and memory will be a blessing to all of us.
