“ Dear Aunt Dorothy. As tough as you were on me at times I always love, respected and learned from you. Now Mom and Dad are in Heaven with you and I will have a tree in your name along with other relatives planted in Israel. 💜

“ My dear auntie Dorothy, you were a wonderful, loving presence in my life..always & forever my favorite! From taking us as little kids to the Thanksgiving Day parade downtown to sleepovers at your apartment- camping out on the floor- so much fun! & years later after I moved to NY,laughing together on the phone about the absurdities in our family,in life.We shared a love of old movies & intelligence.You were a role model for me, how you lived a solo life-independent & happy with loving friends & family.I took after you proudly. Love you forever Aunt Dorothy,love,your nephew,Jeffrey xxxxxxooooo

Aunt Dorothy, you were the best aunt anyone could ever wish for. You were my favorite aunt and I loved you very, very much. I wish I could have gotten back to Detroit to see you but as you know that was something I could not do because I couldn't travel with Josh. But I did get to talk with you and now I cannot do that any longer. That breaks my heart. Thank you for being a wonderful aunt, you always made me happy. I will always have the wonderful memories of you taking us kids' downtown to the Thanksgiving Day Parade. We even had fun on the bus ride with you. It was an adventure. You were a wonderful, loving and fun aunt. I will miss you to my dying day and you will always be in my heart. I love you Aunt Dorothy, rest in peace for all eternity.

“ Dear sweet , beloved Auntie Dorothy. She was kind, funny, and always had a great joke to end conversations. Aunt DoRthy was a great family historian with wonderful stories of the past. She was generous and loved her family very much. Although Auntie Dorothy never had any children of her own, I believe she looked at all of us as her children, giving love and support. She loved TCM old movies and had a great knowledge of Hollywood stars. She was the last of the original Harwoods's. Her stories, and love, will continue on. Love you Auntie DoRthy.
