“ So sorry to hear about Dorothy's passing. I have known her since I was 18. My father-in-law and her father went to medical school together. My children also attended Adler together and we have run into each other throughout the years. She was a lovely lady. I am in Florida and was unable to attend the funeral and shiva. My thoughts and prayers go out to the entire family.

“ I first met Dorothy in September, 1973. We had just moved into our house on Concourse, and we both had walked our boys to Adler Elementary for the first day of school. I had already dropped David off at his first grade classroom, when Dorothy and I met at the Kindergarten room door with Howard and Jeffrey in tow. (Mitch and Mike were in strollers.) Thus began a 45-year friendship between the Weiss and Klausner families.

So many memories in all those years! Seders at our house; Rosh Hashanah dinners at theirs. Our families stayed connected, even after we moved to West Bloomfield, and the boys were attending different schools. Through Bar Mitzvahs, University of Michigan, weddings, baby-namings, and next-gen Bar Mitzvahs - our friendship continued.

Dorothy and I became widowed a few years apart, but our love for one another never wavered. Although we spoke on the phone, my last in-person memory of Dorothy was when we were together for Grandparents Day at Frankel Jewish Academy this past October. How fitting that we were there for a school event (for our high-school age grandsons this time) -- just like the day we met.

My broken heart goes out to the entire family whom she adored to her last breath.

I will miss her terribly.

May her memory be for a blessing.

“ So sorry to hear about Dorothy. Unfortunately we are in Hawaii and
unable to attend the service for Dorothy. I graduated Mumford with
Dorothy and in later years we became friends through our 50 year
friendship with Warren. We know that all of Dorothy's family will
miss her along with Warren, as she was truly a lovely person.

Thank you very much for your kind words n thoughts. I got your call a week or so before your left but things were a little too tumultuous.
