“ So Sorry to Hear about Dorothy! I spent many years at the Condon home when I was a teenager ! My boyfriend was Barry for 3 years and I was best friends with Carrie! Many Wonderful memories of her! She took Carrie and I to our first concert Journey when we were 13. I was at her and Michaels wedding and I have memories of seeing her perform and she was a wonderful woman and she will be missed!

“ Temujin sends his love. He is so incredibly appreciative of Dorothy's love and support over the years. He laughter and sense of humor carried him on dark days. Praying for peace for all that we will join her in heaven one day

“ My Dad and Dorothy met when I was about 11, so though she was my Step-mother, she was always like a Big Sister. We all had some very happy times on Condon. I am glad both Kelanie (my oldest daughter) and me got to video chat with her a few times recently, and more importantly, she knew who I was, and said my name, and told me she loved me. I am glad she is no longer trapped inside her body. Prayers she is doing yoga, in heaven and will as Tracy said look down and watch over us. Sleep with the Angels Dorothy.
