“ Here are some photos from my gallery. You can see she was a funny gal and loved the water . From Cancun, Punta Cana to Canton she would float anywhere. A story I could not tell at the service but you should know her wit. There was the last time I took her to Cancun for her 80th. We had a connecting room and the door seemed like paper. Well the young couple in the next room were doing what young people on vacation in one of the most beautiful places on earth do. I guess she was fine letting them go the first time. Well about 45 minutes later they were back at it, that was all she could take. She started to MOAN.... I'm like NO MOM. Well I wonder what they thought of her and I after that. Thanks mom.

“ Dorothy made me a part of the Ring family. She was like a mother to me when I lost my mother... She was always inclusive and never exclusive. She was. Bright light that brought to everyone she met . She is a star that will forever light the skies .

“ Aunti Dorothy was always there for me and Michele. When my dad had his heart attack she was constantly there and so supportive and helpful. She had seven kids and treated Michele and I like #8 and #9.

We will miss you Dorothy!

“ Mother Ring, I will miss your smile and your laughter. I will always remember our vacations in Cancun, you coming to our house swimming every summer and your starbucks that I would sneak you when I visited you at WaltonWood. I know you are finally out of pain and resting peacefully. Its the only thing that brings peace to me knowing you are in a much better place with Dad. Love you always.

“ Dorothy was always exceptionally kind to us, and she definitely had the best sense of humor of anyone I've ever known. She passed down that sense of humor and kindness to her son, Dan, who's been one of my best friends in the world since Jr. High School. I just wanted to give you all my sincere condolences on your loss.
