Dr. Dan G. Guyer, 74, of Huntington Woods, Mich., died on May 1, 2021.

Dr. Guyer was the son of the late Edith and the late Abram Guyer. Dr. Guyer was raised in Detroit, attended Mumford High School, and graduated from Wayne State University Medical School in 1971.

As a psychiatrist, he served in private practice in Grosse Pointe, Mich., and previously served as chief of psychiatry at Henry Ford Cottage Hospital. He was a beloved teacher through the hospital and the Wayne State University School of Medicine. He was an expert and clinical educator in electroconvulsive therapy, and was devoted to his residents in the program.

Dr. Guyer was a leader in many agencies and programs of the Jewish

Federation of Metropolitan Detroit. He served as a member of local and national boards, including the Jewish Federations of North America. He was a lay leader of Adat Shalom Synagogue in Farmington Hills, Mich.

He is survived by his wife of 52 years of Cheryl Guyer and his children Sara Guyer (Scott Straus), Erica Guyer (Daniel Franklin), and Jonathan Guyer; and six grandchildren Sadie Straus, Solomon Straus, Anna Franklin, Jacob Franklin, Samuel Franklin, and Aerin Franklin. He is also survived by sister Annie (Judge Benjamin) Friedman, sister-in-law Elise (Dr. Marty) Levinson, and brother-in-law Neil Chapin (Diana Staneva). His brother Dr. Martin (Sheila) Guyer passed away in 2009. He is also survived by many loving nieces, nephews, grand-nieces, grand-nephews, cousins, colleagues and a world of friends.

Dr. Guyer received the Detroit Jewish Federation William Davidson Lifetime Achievement Award in 2020. At the award ceremony held last fall, Dr. Guyer said, "I look at our community and its leadership, and as I look at my children and grandchildren, the future seems to be in good hands. “ *To the family of Dr. Guyer:
My name is Diane. I was very fortunate to have been Dr. Guyer’s patient since 2000. He helped me through some tough times 21 years ago and continued to take good care of me all these years. I actually had a virtual appointment with him on April 19. As always, he greeted me with a warm smile and a soft “Hello. How are you doing?” I will never forget his kind and caring demeanor. I will miss him terribly.
My thoughts are with you.*

We wish you strength now in the time of great sorrow and hope that, in time, happy memories will replace the sadness and grief. May his memory be a blessing.

“ I worked with Dr Martin Guyer, as a dental hygienist. I would tell him I was suffering from depression and anxiety. Dr Marty referred me to his brother Dr Dan Guyer. I was apprehensive at first but finally made my appt. Its been years now that Ive been with Dr. Dan. I was so upset and shocked when he told me Marty had passed. Once again, I am deeply saddened and shocked by the news of Dr. Dan Guyers passing. I will surely miss him. We just had a virtual appointment, end of april. I would like to send my deepest condolences to Drs Guyers family. May he rest in peace. He will be missed!

“ Again, I want to express the sheer sadness in my heart for a man that cared so much for his patients. When I was really sick, he came to Beumont Hospital to see me and to talk with the Doctors one of which was also a great and caring Doctor of Armenian descent and I am sorry to forget his name. Dr Guyer did it on his own time after I am sure a long day at the office in Gross Pointe Woods. I had no hope but he gave it back to me and always, always kept the line open incase their was an issue. I hear his kind voice in my head as I write this in tears. My mother is in a Assited living facility near his place of rest. I hope to viisit him today and tell him these things myself, for I am sure he is listening. God Bless you my friend as God has blessed me with the convergence of our paths during both our lifetime. I am so blessed to have known you and am forever gratefull. May your family and staff please find at least some blessings of kindness, relief and care in my message.

“ My heartfelt sympathy to the Guyer family and to his community of colleagues, students and patients . I have worked with him my entire 23 year career and am blessed to have been guided by his knowledge. I am a better clinician because of him. This week has been one of the hardest weeks in my career but in his spirit I was able to care for patients in the way he would have wanted me to despite the grief my coworkers and I are experiencing . Dr. Guyer you will never be forgotten and your wisdom will live on through us.

“ I WAS A PATIENT OF DR.GUYER'S FOR 20 YEARS. IN THAT TIME, HE SAVED MY LIFE ON NUMEROUS OCCASIONS. I WOULD NOT BE HERE IF IT WAS NOT FOR HIS KIND AND CARING PERSONALITY AND EXPERTISE IN MEDICINE. A COUPLE YEARS AGO I BEGGED HIM TO ADMIT ME TO A PSHYCIATRIC HOSPITAL. I THOUGHT I WAS HAVING A NERVOUS BREAK DOWN. DR. GUYER SAID TO ME I THINK WE CAN FIX THAT WITH MEDICATION AND HE WAS RIGHT.

I'M SO SHOCKED AND SADDENED. MY PRAYERS TO HIS FAMILY AND FRIENDS.

“ Dan A"H and Cheryl were both major participants in the developing growth of the Fleischman Residence (prior to the merger of the various senior residences which were then renamed as Jewish Senior Life) during my tenure there as Religious Director. Their contributions of time and energy to benefit our community's Jewish elderly will certainly be recorded eternally in the Heavenly record of their human accomplishments. May Dan rest in peace, and may Cheryl and their entire family be comforted by the Al-mighty amongst the mourners of Zion and Jerusalem.
