*Zichrono livracha. Hamakom yenachem to the mourners and heartfelt condolences as well to all who knew, loved and respected Dr. Henry Citron. I was hoping very much to watch the videorecording of the funeral but just found out from the Hesed Shel Emet office staff that there was a technical malfunction with the power (outside their control) and the service was neither livestreamed nor recorded.*

“ We were Henry's patients from circa 1969 until he retired.

*We traveled to Israel with he and Jan with a ZOA mission. We sat in meetings together that seem to never end. What a pleasant surprise, not knowing that Jan & Henry were on the same ship as we were on, when almost literally bumped in each other as were rushing to a Kabbalat Shabbat service.*

*My favorite memory was one beautiful fall day; two old friends walking and talking from an empty parking lot to Hillel to pick up our grandchildren.*

*Henry was such a soft spoken, generous and kind guy.*

*My last memory of him was when he said "I've missed your soliciting us for the ACS and Make-A-Wish,"Henry, I've had several heart issues, I'll fill you in later." I was intending to email him next week. What a Super Mensch Henry was!*
