“ *I met Myron while I was still in Vandenberg Elementary School and Myron started dating Sharon Braver. Wow!! The things we remember at times of sadness. The last time I saw Myron was at Henry Ford High School's 40th reunion, which was 10 years ago. I've read all the posts written on this page and you were still one heck of a great guy to all that knew you. My condolences to your family & your friends.*

“ I was deeply saddened to learn of Myron's death. My husband and I are neighbors of Myron's and we liked him so much. He was such a kind soul and a truly good person. He loved the animals and would feed the birds and one time he put food out for a little stray kitten. He always had a smile and a sweet disposition. I will miss seeing him and chatting with him.
Our condolences to the family.

“ This is definitely a shock. He was such a great guy. He was always smiling and enjoying his round of golf. He was kind and helpful to everyone in the group "Rolling in Golf". He will definitely be missed.

Special condolences to his Richard, his constant golfing companion.

“ I've known Myron for over 6 years through RIGC. Even when he wasn't 100%, it was hard to see him without a smile. And I never heard him say a bad word about anyone. He loved the game as well as the members he associated with. He will be missed.

“ I was so sorry to hear about the passing of Dr. Lederman. Myron was always so nice every time we played golf together in our club. He was always happy and very engaging. He gave me advice about my feet. It was a true pleasure to spend time with Myron. I know Richard will miss his golf partner. We played at bay point this summer and Myron wasn’t feeling 100% but we still had a wonderful round. My deepest sympathy to the family. Rest In Peace!

“ Our deepest condolences to his family and friends. Dr. Lederman was my parents podiatrist for many years. So many words come to mind when describing him. What a kind, sweet, generous, and outstanding man. His love for his work and family was so great. His shoes will be very hard to fill, and we will miss him dearly. Dr. Lederman, you will forever be in our hearts. From the Lebrón family, Juan, Nilda and Betsy. RIP.

“ My name is Willie Smith, a friend of Myron from Rolling In Golf. What a pleasure it was knowing Myron as a golfer and friend. As a golfer, I have never seen so many golf shots that bounced off trees and ended up on the green. As a friend, you couldn't ask for a better companion to spend your day with. He never failed to greet me with a smile. I can still hear him saying " How are you Willie? It's nice to see you today." And my response was always "I am great how about you?" It seems simple but that's how we began our day every time we met. He was a very positive man with inspirational thoughts. He will be missed!

My condolences to your family and friends.

Today our hearts are filled with sadness with the loss of a truly good man. He was our podiatrist for so many years. He was not only our podiatrist, he was a very kind and good friend, he was family to us. When we would visit his office, he always talked about his love for his family, dogs, and golf. That would always bring a smile to his face. Without a doubt, we will truly miss him. May he rest in peace. Gone but never forgotten. With much love, Marivy and Lisa Tyszkowski.
