“ I had the privilege of being Seymour’s neighbor in wolverine lake. He was such a kind man and would love to talk and share stories. I had found that he in fact knew a neighbor of mine growing up who was a urologist Jewel Merrit. I’ll never forget one picture he showed me when he was going through his photo albums...LOL He was a great neighbor and I genuinely was thinking of him. May you rest in peace my friend.

“ What a sweet and wonderful man. We would go skiing for a day about 4 hours north of Detroit. He was all ears and wanted teaching from me about golf when I was a young man and wanted to tire me out on the paddleball court before introducing me to squash at the community center in Detroit. I have many fond memories of Seymour. A delightful man with a quick smile. I wish I would have stayed close so I could tell him how special he was to me.

“ *Dr Ekelman delivered both my sister and I in the early 60’s. I worked for Dr Ekelman in the mid 80’s in Mt Clemens. My mother was his patient at Healthland. He knew my mom well from years of going to her restaurants. I love and miss him. He was one of a kind. Generous. Sweet. A Dr of the kind you do not see anymore. Lisa, my email is colleenbellini@icloud.com I hope to hear from you. My condolences as the anniversary nears.*

“ *What a sweet, sweet man!! He enjoyed reminiscing about the many beautiful years of his professional activities. And my own memories of those conversations go back to before October of 2017. May he rest in peace!!*
