“ Oh dear, I just read this, I'm so very, very sorry to hear of Sid's passing!!! I'm now finding, I lost so very many friends and family in 2018, more than I ever dreamed!! I worked for Sid in Ann Arbor and Southfield, and he was a very good family friend. My father and mother have also passed, I think the last time we saw Sid was up here in Eagle Harbor. I'm so very sorry for your loss, prayers.

“ *Sidney was so warm and friendly. Every single time I saw him, he greeted me with a smile. It was warm. He was warm. It's rare that a smile can make you feel so welcome, but every time I saw Sid or was in his home, he felt like another dad to me. He did a lot to boost and transform Detroit. He loved his family and friends. Most of all, nearly all my memories of Sid were over a meal. I adored him and miss him. XOXOXO*
