Hebrew Memorial Chapel - July 18, 2018 at 12:50 PM

Dr. Steve Magier was a wonderful kind person. We loved to work with him. He has helped our family as a Pediatricist and a dear friend. We were always there for him when he needed us as well. You will be missed! May God embrace your soul and all the love to you and your family.

First time I saw this link. Steve and I were buddies during his NYC time. He was a generous, overall good guy.

“ I am so sorry to hear about my old friend Steve. We met in Brooklyn on a Shabbos day sometime between 1987-1988 and became immediate friends. He proved to be a true friend; one of the best I've ever had... In the time we knew each other he was always kind to me. In the summer of 1994 when I had no place to sleep, he let me stay on his couch in Queens, NY for as long as I needed. His heart was always in the right place. He was a godsend. Then he said he told his Mom about me and she was including me in her daily prayers. What a gift! And now I send prayers to his Mom and his family that they should find peace and be grateful for having such a divine human being touch their lives. Please accept my sincere condolences.

When I relocated to Vermont in 1997, he told me he was looking to move back to Detroit. I lost touch with him a few years later and regret not keeping our friendship going. My search to rekindle our friendship led me to this page...

I will always have fond memories of the kind soul Steve was. May his loving memory live in our hearts forever.
