“ *My fondest memories of Mrs Mandel. She was a very special and close friend of the Zimberg family. She personally gave me many piano lessons. Her piano and music abilities were par excellence. Most of all for me, she was able to motivate me to play and learn piano. Come to think of it for the dozens of times she has visited our house, I am quite sure I've never heard her complain. I haven't seen Sherri or Anita for many years but wish them both condolences from my mother Shirley, myself and the rest of the Zimbergs. Lenny and Shani Zimberg*

“ *I was fortunate enough to know Dvera at Teitel Apartments. She was real asset to the community, always participating in activities and being a kind neighbor to those around her. My husband also knew her daughters from Akiva and has very fond memories of the family.*
