“ Eddie was a very good friend. we met at the JCC in West Bloomfield. We use to run a lot together and when we would meet he would always bring me bagels. We ran the mountain bike trail at Pontiac' Lake. We ran various runs and hiked all over the place. I have a mutual friend Charley Kiefer in Gaylord. He first told me that Eddy passed. I saw him at Detroit Bagel and Kroger all the time. He was always working. We had various adventures together. As much as he exercised he should have lasted much longer. I think about him all the time. May God bless and keep him.

“ I was shocked and saddened to hear of Ed’s death. We met at Oak Park High in 1967 and quickly became best friends. We hung out at his house or mine most days and I got to know his parents, Shelley and Michael. Ed introduced me to the Meyers JCC and racquetball and penny-ante poker. My parents were very fond of Ed and they spent hours talking. It was also through Ed that I got my first job, working for Michael and with Ed, Shelley, Carol and Helen making pizzas at The Galley in 1970-71. We saw less of each other when I went to grad school in Toronto and lost touch in the late 1970’s when I permanently settled there, well before the internet and social media. However I always valued our friendship. Ed was the nicest, open and honest friend. My condolences to the family

“ Ed was really fun to work with and a good friend. We'd ride our bicycles on the local trails and have Chinese food after. He always kept me in stitches with his quips. He was a hard worker and a very kind, considerate man. I'll miss him. Allan Jirik

I knew Ed a very long time. We met at the JCC Health Club. We went on numerous runs together. We ran the Pontic Lake Recreation Area Mountain Bike course about 10 miles. He always tried to do something with me so I called him a lot. He went with me to a Detroit Symphony Orchestra concert and an opera at Detroit Opera House. He came over to my house when I was married and talked to my wife. At one time he worked for Detroit Bagel and he would bring me bagels. He was a very good friend but I didn't know he died till a mutual friend told me Charley Kiefer in Gaylord. May God Bless and keep him love Chuck Werney

“ My strongest memory of my cousin Eddie is that he was unusually close to his parents, his sisters Janet and Shelly and brother Michael. He was a very giving person. I remember when his mother Molly was incapacitated and in a nursing home, quite often he would cook tasty fresh food and take her out for the day. That was just what she needed! Eddie, you were special. Love, Evelyn

Evelyn Kreger - March 09, 2021 at 04:45 PM

SH

Evelyn, Thank you for sharing. I remember too the way that Eddie took care of my mother who was very ill with Parkinson's. It was unbelievable. Even during the period when her condition was very bad, Eddie continued to take her out of the nursing home so that she could be part of the world. That is just one example. He did more for her than the staff at the nursing home. He earned his place in heaven! Much love, Shelly

“ My uncle Ed loved being outside and staying active. He would take me swimming, biking, running, and cross country skiing. I have very fond memories of our outings and I am grateful he was willing to share his love of outdoors with me.

With much love,
