

EDWARD J. RUZUMNA

August 27, 2014

Age 78, of West Bloomfield, died August 25, 2014.

An Army veteran, Edward first worked with his family at Federal Hewitt Industries and then owned and operated Mayer Alloys. A past president of National Metal Dealers Association, Ed was quite the inventor. He was not trained as a mechanical engineer, he just saw problems and figured there must be a better way, some shortcut. He was constantly juggling multiple inventions, at various stages of development and recently invented and developed the BRUSH PAL. Mr. Ruzumna was also a long time member of Congregation Sharrey Zedek and its men's club.
