“ *Edythe has been a part of our family since Perri and Michael married in 1986. You get to know your extended family pretty well through all the functions and holidays...Edythe always had kind words to offer...and a smile. She once told me she adored my little brother Michael and my parents Bill and Carol Cauley, and that they are very nice people. I could tell Edythe was trying to be close, to include our family into hers with an open heart. I appreciate her, and will always remember her big eyes, her red lipstick big smile and holding my hand.*

*A Mother and Grandmother's loving presence will be forever missed. Thank you to Edythe for her kindnesses. God bless Edythe's journey home and peace granted for all eternity.*
