“ My deepest sympathy to Eileen's Family and Friend's. My thoughts and prayers are with You all at this difficult time.

*I met Eileen through Penguin Cold Caps. She was a pioneer and helped kick off Penguin Cold Caps in the USA. She was the first to use them and saved her hair from chemotherapy, Since then she has helped spread the word and also helped hundreds of other women save their hair too! She was passionate about it and never hesitated to help someone. I worked with her many years and she was a joy to work with. She was always loving and caring and I will miss her very much. Eileen you will never be forgotten. I will miss you very much!*

Love,

“ A real lady who loved life, her family and her friends. She put up a heroic fight always with a smile. May you rest in peace.

*Thanks so much for remembering my family and I.*  
*My past memories are so important and I do remember those times with you. Losing Eileen is very painful, but my sister went out with great dignity and style. She's still teaching me.*

“ *Ina Katz: I had a friend. The kind of friend, who always said, "I love you," when we went on our way. A friend that brought you joy and laughter. A friend I'll never forget. Rest in peace. You'll always be remembered. Love you...*
