I was so sorry and sad that I could not attend Eileen's funeral and then I realized I could watch it on the computer. I was able to share the beautiful memories with the boys and I was able to feel a part of the service. Eileen has always been a very special cousin and we too, had many happy times and numerous phone calls. Hal and I shall truly miss her!!

Three very recent photos plus a video from about five years ago of Aunt Eileen. I feel so fortunate to have known her and have spent quality time in her company.
