“ Our deepest sympathies and condolences to the entire Brateman family on the loss of your Matriarch. Our only connection with Mrs Brateman was through her wonderful son, Doctor Robert Brateman, our trusted personal physician and counselor. What an extraordinary life this lovely lady enjoy - 97 years of joy to her family and many friends. We would also commend Doctor Brateman for his undying devotion to the care of both his Father and beloved Mother. May her memory be eternal 🙏
