“ *Dear Soleymani Mishpacha,
I honor your mother and grandmother for having passed on her legacy of strength, devotion and Yiddishkeit to her beloved children and grandchildren. I am in Berkeley, CA and was watching to see when or if her service would be posted. My late husband Sam Lerman and your late father Sion practiced medicine together at Livernois Clinic in Detroit. You children attended Hillel with our two youngest children Ben and David. I remember family with love and wish I could have been there for you.*

Dear Mrs. Lerman,

Thank you so much for your kind words. We greatly appreciate it! I remember you fondly; you always smiled. I also remember your late husband. I hope you and your children are well. I think Benjy was a year ahead of me at Hillel. I am in Los Angeles.

*All the best,
