“ Mrs Zahs was one of my moms life long friends . They graduated Central High School in 1945 together had similar age families in Oak Park where we all had a Zahs friend. In later years our moms lived in Meer together and had dinner every night . The Zahs and Kay family are forever family and we all fondly remember your sweet and caring mom .
May you all have peace knowing that you all took such good care of your beloved MOM -

“ I would like to send my condolences to her entire family. I had been a caregiver of Elaine's for a few years and enjoyed my time with her. Always she would ask if I had enough food, drink, and if I was warm enough. She had a kind soul, and a sweetness about her that made you want to be with her. I will miss her dearly, but always have fond memories of her. I bet she eating candy right now. 😊😊
