“ *Eleanore, you and Marty will be greatly missed! You two were something to aspire to! Working with you as your OT was something I'll always treasure. It hurts my heart to know you won't be coming back to the Bluffs again to see me, and me you and your beautiful family! Love you all! Love from Nicole Kantola, your favorite therapist :)*

“ Dear Family.. I am so saddened to hear of the loss of your mother and grandmother...Eleanor was such a good person and friend. When Marty and Eleanor would come to Florida I would have them over for dinner and enjoy the evening with good conversation. In our younger days we laughed at the fact we both had the same everyday dishes and a few of the same taste in our likes of furniture. It was a lovely and unforgettable friendship. And one more thing, I wonder if you knew was that when dad was working on 12th street I would go with my own dad to work and pick up your dad and drive him to work. So your mom and dad and I really go back a long way. God Bless your family .

*My Aunt Eleanor;
She was the epitome of kindness and caring for others, who listened with an empathetic ear and offered kind words of support. Family was of utmost importance to her and she was surrounded by many who loved her throughout her life. Her life with my Uncle Marty was the purest example of true love and how a marriage succeeded. My Aunt Eleanor was a strong woman, not a complainer and had an extraordinary positive outlook for life despite all of her battles. I will miss her dearly.
Rest In Peace my dear Auntie El*
