“ *Elissa's passing leaves a devastating physical loss to all the Leider Families, the Friend Family, the Shalom Family and on and on.... for all who knew and loved Elissa, became that....Family. We became part of the Shalom Family more than 40 years ago and I Bless the day that began. The beginning of my treasured Shalom Memory Chest started with our first campout when we, totally uneducated campers, pulled in to the campgrounds and didn't even know the first thing about camping, to be greeted by the smiling faces of Hal and Elissa Leider. "Do you need help?" And so it began. Our families bonded, with magic glue, still held together by our children. We shared many simchas and far too many losses but were always there for each other be it laughter or tears as we hugged. My heart aches for the loss but gratefully celebrates the memories. Rest in Peace my beautiful friend. Miss you always and hug you always.*

“ Elissa and Hal became our friends through camping. When Jerry and I moved to Ft. Myers they came to visit often. When we returned to MI for one reason or another we always stayed at the Leider"s She was the sister I never had and my confident . We talked often on the phone even when I moved to Wisconsin. The last time we spoke was last week. I will never forget the friendship Elissa and I had! May she rest in peace!

“ I am so sad to hear about passing of Lisa Leider. She was most kind to me during my childhood..We were neighbors...I was childhood friend of Shari. So sad to hear of this. When our family moved in--same day--Lisa called across the street--to already--"come over and play" with Shari. Always I remembered that--and her good cheer. Shari and family--you are so fortunate to have had your dear mom/wife. She was a gem. My heart is with you.--Renie Gross.. My brother Neil also--expresses his condolences.

“ Elissa was a great friend. She will be missed. My husband and I would go out to dinner with them. we would go back to their apt play Mexican train or play pool with Hal. Hal always won. Both Sal and I are sadden by the loss of a very dear friend.

“ *The sad news of Eiissas passing came to us so unexpectedly, it is very hard to realize another good friend is no longer with us. She made us feel like a family. We share your loss with deepest Wish we were there to give Hal and all of you a hug and some emotional support. Hal and Elissa shared many years and that leaves a wealth of good memories quite a legacy

“ *What a delightful woman. It was just a few weeks ago that our group sang at Maple Manor of Novi and we all had the nicest discussion with Mrs. Leider & Hal. She sang and laughed in spite of her health. A lovely woman.*
