“ *It has been many years since I had the pleasure of being with Elisabeth. We became very close when we were partners driving for "Meals on Wheels" in the mid-80's.*

We shared so many stories as we delivered meals to needy seniors on our circuit. I really looked forward to those mornings that we spent together. She and her husband attended my youngest sons bar mitzvah.

She had an amazing outlook on life and was so bright and sensible. With time and life changes we drifted apart but I thought of her often and was saddened to read the obituary in the Jewish News.

My heartfelt condolences to all her family.

“ Elizabeth was my mentor and my friend. Her family and friends meant the world to her; and she embraced them with wholehearted love and the sharing of her talents. Though her life was a courageous moving forward from incredible evils inflicted on her family, she chose to celebrate her Faith in God and the blessings afforded her. I'll never forget her, nor her words of comfort as she struggled in her last days - "I am so lucky" ... and "A photographer could never capture the beauty of my family."

My sincere condolences go out to her precious family, and her dear friends - I can only imagine how broken hearted you must all be at the loss of such a beautiful, principled, giving lady. I am going to miss her so much!

*With love, respect and sympathy,
Jan (and Geoff) Stevens and Family*
