“ Ellen was my precious forever friend. She was always there for me. We both had gone through a divorce at the same time & without her by my side I would have been lost. We had some great goofy times together. She will always be a part of me remaining always in my heart & I mind. Love you my forever friend- will miss you so.

“ Ellen was a very close friend of mine for over 20 years and I was friends with Marla and Nicole as well . I felt part of there family . They included me in many things . Ellen was very special and had a heart of gold . She was always there for a friend and her kids and grandkids . She was a special bubbie. She was special to anyone who knew her . Ellen was more than a friend to me I can't even express the friendship we had . We cried and laughed . We shared the good and the bad . We did lose some time but I did get to keep in touch on fb and the last few months while she was in the hospital on fb and texting and I'm grateful for that . Ellen will be missed everyday by everyone that knew her she was really a very special loving lady . I will miss Ellen very much . May you R.I.P. Ellen and may your memory always be a blessing . Love you , Susie Simons
