“ One of my most fond memories of Ellen is the time I traveled to Detroit, with Judith, for a family Thanksgiving. It wasn't Thanksgiving Day that is most memorable but the night before. Ellen, Judith, Janice and I spent the evening preparing for the next day and talking. It was like I had never left the family. She and Stuart were so welcoming to me and invited me to stay in their home over the holiday weekend. Such a treasured memory! Cheryl Kaplan

“ I am so saddened by Ellen's death. She was one of the best teachers my kids ever had. They were lucky to have had her. Our condolences to the family.

“ Ellen was my first cousin with whom I shared a number of special moments over our early and teen age years. Her smile and laugh I remember most. Although we did not see one another for decades she was always in my thoughts. My late parents thought the world of her and I know her memory will live on in those she touched and loved.

Ellen and I grew up together 1 year apart in age, her Mom and My mom were sisters. Our families were very close until we moved to New York, I lost touch with my Detroit family and friends but will never forget my 3 cousin sisters in Detroit, lots of memories and loads of fun. we were always together for holiday dinners, Bar Mitzvahs etc. Ellen I will never forget you and our child hood, may you rest in peace,

Ellen has been a big part of our family since we were kids, she would come and help my Mom when she wasn't feeling well and stay with us. She was the first one to take us to the U.P. of Michigan, when my Mom wasn't feeling well. It was the most beautiful place I had ever seen. It has been my secondary stomping ground ever since.

She was always positive and upbeat, and she had that infectious smile that would light up a room when she walked in! She was always interested in my girls and they also thought the world of her. We are a dog lover family, Ellen with her Basset hounds, my sister with her little doggie, my daughter Sammy with all her rescue animals on top of the fact that she is in Vet school at MSU, Jessica with her 2 dogs, and our 3 dogs again, we all fit right into Ellen's world as a dog lover family!.

No words can express how bad for I feel for our loss but especially for Uncle Stuart, my Mom, Aunt Linda and my sister who had a relationship with Ellen that was more like a sister! I am so sorry!

We will miss you dearly Aunt Ellen. Rest in Peace.
