“ Ellen and I shared lunch together daily. We always laughed and she would talk about how proud she was of her children and what her husband had cooked. I miss her so much as I sit by her empty chair. I am grateful to have had her in my life, she was honest, sincere, loving and a great listener. She treated everyone with respect and was highly regarded at work and in her profession. My heart is heavy and I will keep her family in prayer, you have my deepest sympathy.

“ Shelley, Ted & Family-Sadly, the first time I saw Ellen in such a very long time was in January of this year at my Mom's funeral. We talked a bit but something seemed unusually wrong even then. I was shocked to recently hear that Ellen has become so ill. I have fond and happy memories of her and all of us all back in the day enjoying and sharing many special moments. Always loved Ellen. That was easy. I am so very sorry for your loss. Please know that Dee Dee and my thoughts are with all of you at this very sad and grievous time. Our love and healing to all of you.

“ Ellen and I shared a very funny moment together once. We both happened to be together for something at Temple Emmanuel.
I looked much like my late brother and Ellen looked so much like her sister that we were mistaken for them!

Dear Jack, Allie and Scott. Sincerest condolences from the depths of my heart. I had the pleasure of working with Ellen for many years and I can't begin to tell you the wealth of knowledge this woman shared with all of us. Ellen cared about everyone. She was a caring, kind,giving person and I was lucky enough to have had her in my life as a co-worker & friend. I will miss this beautiful woman.

Ellen was the light of her parent's lives. I can't believe the burdens she carried and triumphed over in her life. Her heart, her soul and her accomplishments will live on forever. One very special human being has now lit a path for others to follow and we can only hope and work towards honoring her memory.

To Ellen's beloved husband Jack and her children Allie and Scott; Please know how very sorry I am to hear of Ellen's passing. I can say that Ellen loved all of you so much; she always talked about her family. I met Ellen many years ago while working for Dr. Wolf...I later ran into her again at Meridian and we cracked up everyday...so full of silliness, laughter and wisdom. Everybody loved Ellen! I am blessed to have known her and to call her my friend. God bless all of you during such a difficult time
