“ One of the dearest women I've ever had the pleasure of meeting. Erna touched so many lives with her strength and sheer perseverance. I'm so blessed to say that I knew this WONDERFUL woman.

Erna's passing marks the end of an era in her families' lives. Her funeral was a beautiful collage of the love that her family members held for her. Another witness has been summoned to the Heavenly Court to testify about the atrocities of the Holocaust. To her beloved children and their next 2 generations - HaMakom Yenacheym Etchem B'toch She'ar Aveiley Tzion v'Yerushalayim!!

Erna Weiss is, and will always be, my hero. I had the pleasure of meeting Erna through her son, Dr. Joe Weiss, many decades ago. Joe shared with me Erna's history in WWII in Europe and in America. He told me of her determination, her stamina, her compassion for others and her strong faith. When I met Erna, she had the biggest smile on her face. Each time we met, there was that beautiful smile. I often wondered, how could someone with such sorrow and heartbreak in their past smile as brightly as she? Erna served as a reminder to me to count my blessings. To persevere. To have faith. To inspire others. Erna was a gift to all who knew her. A quiet woman, strong, unassuming, and yet has left an indelible mark on many of us. I am blessed to have known Erna. May God hold her in the Palm of His Hand through eternity. My deepest condolences to Erna's family and friends.

“*Sweet, sweet lady, always friendly and caring to me and my children. So hard to lose a parent and grandparent no matter how old or infirmed they are...my heart is sad for your loss. May she find Peace and you find comfort in the coming days and months.*
