Esther Ryback Applebaum

July 12, 1924-September 26, 2021

Our beloved mother Esther passed away in her Southfield home on the evening of September 26.

Born in Detroit on 7/12/24 to Sol and Rose Ryback, Esther was the only daughter and the first of their 4 children, followed by her 3 brothers Bernard, Gordon, and Ralph which made up the rest of her family. As a teenager, she worked with her parents in the family store while attending first Central High School and then transferring to the High School of Commerce where she obtained a business education. Esther met Max Applebaum, her high school sweetheart, at the age of 16 and they were married after a long engagement when he returned from serving in the army during WWII on March 10, 1946. Together they raised four children and when they were old enough, Esther used her business skills to work in medical offices, and then for 20 years for Southfield Public Schools at Southfield Lathrup High School as Secretary in the attendance office until her retirement.

She loved music and singing all her life and enjoyed performing with the Rose Morgan Choral Group. She was an avid photographer and loved to travel and see new places. She provided photos for her widespread family at many joyous events over the years. Esther was a lifetime member of Israel chapter B'nai B'rith which was chartered on her birthday, 7/12/48. She served as president several times as well as the Louis Marshall president when the chapters eventually merged. She also served on the B'nai B'rith Council of Metropolitan Detroit. She loved meeting new people and giving of her time and energy for worthy causes for those in need. She had a knack for making others feel good about themselves and welcome in any situation. She will always be remembered as a woman with boundless energy and a zest for life.

“ To know Aunt Esther was to love her! Her generosity of spirit was boundless. After the birth of each of our children, she sent a beautifully wrapped gift with clothing or toys for the newborn. One special gift we will always cherish is the model Magen Dovid Adom toy ambulance she sent us. Our grandchildren continue to play with it! She was one of the first relatives to respond to each bar mitzvah or wedding invitation we sent her. And she flew to New Jersey to attend as many of these events as she could. Soon after the event, the pictures arrived! Aunt Esther's turnaround time for developing pictures beat any of the professional photographers. Aunt Esther was both warm and direct at the same time. She said what she meant and meant what she said. When I called to thank her once, I apologized for not calling more often. She told me. "That's right. You should call more often. I appreciate the calls." The last time she came to Lakewood was for Moshe's wedding. She had just celebrated her 90th birthday. The night after the wedding, Sheva Brachos was held in a local restaurant. The party room was up a steep flight of stairs. I was about to find the elevator, but was stopped by Aunt Esther calling me. "C'mon over here and help me up these stairs, I'm not as young as I used to be!" She stuck her arm in mine and up we went! Esther was undaunted by challenge. She just forged ahead. Her zest and appreciation for life will forever remain in our hearts. Our heartfelt condolences to Ralph and the Applebaum children, grandchildren and great grandchildren and the entire extended family who is mourning this painful loss. “ Your family has been a huge part of our life growing up, and we are thankful for the memories. Also, your Mom kept a special eye on me in high school and it was appreciated. She was a very special lady.

“ a blast of the past....She was always so kind and generous with her time! She helped my mom's time since she worked as a teacher in Detroit. Her strength and beauty were always obvious. Wishing all of you the same!
