“ I am sad to say that nobody told me that my Great Aunt died or I surely would have been there at her funeral. Aunt ETHEL was always super smart, super warm , funny and always fun for me to be around. She was so vivacious and loved her dogs. I loved her taste in art. I always loved my great aunt ETHEL. I was so impressed by her vocabulary and her writing skills, despite her not being formally educated. She sure was smart and amazing in her vocabulary, wit and poetry. I love you, Aunt ETHEL. To your family and kids and grandchildren--I'm so sorry to just find out about this now. I wasn't at the funeral because nobody in my own family told me she passed away.
