“ *Etka was a great Soul, strong and very wise. She was speaking polish with me, and always had cheerful, warming smile. She told me that she likes to drink hot water after meals for better digestion, and that she learned that during hunger times of Holocaust. She had a lot of wisdom and dignity. She was for me like my own Grandmother. I am honored to meet her, and her brave, strong Family. Susie, my sincere words of sympathy for you and your Family.*

“ *When I was doing portraits for Living Witnesses covering Detroit holocaust survivors... I tried to gear each portrait in the spirit of the persons personality. Etka only wanted portraits of her family surrounding her. The essence of ETKA. Family was absolutely everything to her. Rest In Peace ETKA*

“ *I have known Ethel for nearly thirty years through our mutual affiliation at Adat Shalom Synagogue. Ethel was such a supporter of the Youth and Education Department during my time working always willing to volunteer and to also just support us through Sisterhood. Personally, she was always interested in me and my family knowing that I truly cared for her and her family. May her memory be for a blessing to all but I know that it will always be a memory close to my heart.*

“ *Etka and I met each other when the HMC was about to open and we were in the first Docent Training Class together. Etta (as I knew her) was the only survivor who served as both a speaker and a docent! She was fabulous at both!! We developed a very special and unique relationship! I feel very lucky that I was given the honor and the privilege of having known Etta because she certainly enriched my life! May her memory be a blessing.*
