“ Sarah, Chris, Anna & Callum
Please know that we are all terribly saddened to learn about Euan. He was the sweetest little boy. Always willing to lend a hand with little Henry (giving him the special tractor t-shirt 🥺), looking for little jobs and always polite
Even when I reprimanded him for riding without a bike helmet!
We hope that he has now found peace. We will keep you in our thoughts and prayers and wish for a brighter New Year. The Cashen Family

Dear Sarah, Chris and family, We were shocked and consumed with grief to learn of this tragic loss. We have fond memories of Euan playing the guitar on the bimah when he was just a toddler. We love and cherish all the good times we have shared with your family at Shir Tikvah and at Camp Cavell. We appreciate the contributions you have made to the congregation, to the children, and to our family. You hold a special place in our hearts. We are there for you and send strength, support and prayers as together we will somehow navigate this seemingly impossible time. Sarah, I could relate to your speech on a very personal level. May your memories of your sweet son bring you comfort. May his name always be a blessing.
