“ My name is Lori Silberstein and Mrs. Gant was my Psychology teacher at OPHS (I was class of '74). She was an awesome woman (and yes....a great shopper too, and I know that because her daughter invited me to her house one day so the stories she would tell us in class were true!). I will never forget her. I did see her at one of the reunions and was thrilled. My condolences to her family on her loss.
