“ I met Evan the first day he attended SHS. The first thing he said to me made me smile, then laugh. Through all the years I knew him, talking to him either produced a smile or a laugh, and often both. He was a wonderful soul, and a fighter that continually searched for joy, even when he was struggling. My condolences to all his friends and family.

I remember being in elementary school with Evan. He was such a big fan of the group Kiss. He had artistic talent. He drew their name & faces on his notebooks. Every time I hear a Kiss song, I think of him fondly. I am so sorry for your family's loss. I hope happy memories of him

Will bring you comfort at this time.

*I'm just shocked 😞 I'm so sorry. Evan held a really special place in my heart.
I remember we met in middle school and I BELIEVE we were all on the same trip to Washington.
When he showed up at Southfield High, it was a happy day. He was always super chill and nice and knew how to put me at ease. We had some great conversations.
We sat next to each other at graduation. We LAUGHED!! He said, "cover me!" and without hesitation, I unzipped my robe and opened it WIDE so nobody could see him blowing up a beach-ball. It was hilarious!
We got back in touch later in life and it was as if no time had passed. I picked him up and we went for coffee.
He was a comforting source for me. I don't know how else to explain it. This is such a loss and I'm so sorry 😞
I was looking forward to going on some adventures with him 🙏
I just can't believe this 💔 If there is ANYTHING I can do, PLEASE reach out.
He was such a tremendous presence and really lit up a room with that smile 🙏 🧡 ♀*
