Aunt Evie was such a special part of our family. She was a super fun Aunt growing up, treating us to whatever we wanted on our Birthdays and taking us on special outings to celebrate, including a memorable train trip to Toronto. I slept on her couch with her cats one summer when I was home from college and my parents were building their condo. And more recently, her love of Build a Bears that she passed on to my daughter.

Always upbeat and positive with a great smile, even in your last days, you will be missed. Love You Aunt Evie!

“ I met Evie 12 years ago at a Fri night shabbat service @ Temple Shir Tikvah. And we remained friends all that time. I drive her to Florida 1 year for a couple weeks, we would dine out and nosh at local eateries 3-5 x a week for almost 6 years, she was a really good friend who I loved dearly we did all kinds of fun stuff in her retirement. Going to services, shopping, laughing. I'm going to miss my friend. She is truly one-of-a-kind.

“ *Mona Hansen-Hill*
I loved Evie's upbeat personality. She always had complaints for the staff on what they were wearing. She had a beautiful sense of style. She loved to coordinate her outfits to make she that she was always matched up.
She was a jazzy lady. She also kept herself busy by doing her puzzles, knitting, arts and crafts, and activities at Coville. She also loved seeing her nephew Eric and her brother when they came to visit. She was a amazing woman.

“ *My Aunt Evie was a special part of my life. She had a kind and generous heart. I recall fondly many places she took me as a child. One memory that stands out is visiting her school and meeting her class. She loved being a teacher and taking care of her students.*

“ To know Evelyn is to love her. Evelyn spent several years here at Coville Assisted Living and I have to say she was always up to something! Coloring , making puzzles, crocheting (tangling her yarn in the wheels of her wheelchair) and friendly with the staff. She loved to plan and to shop in the mail order catalogs.

Evelyn was well loved by her nephew Eric, who made sure all her needs were met. She had frequent visits from her step brother Stewart and he also was very dedicated to her.

May her memory be a blessing!
