“ IT IS WITH GREAT SADNESS THAT WE LEARNED OF EVELYN'S passing.  
Evelyn & Sid were with us on very important occasions in our lives.  
They joined us  
at my daughter 's wedding in Arizona, and at the grand opening of  
the Performing  
Arts Center in Cleveland. It was always a joy to see them, and catch  
up on all the news.  
We send deepest condolences to the Gersh family, and their  
children.  
Love to all,  
Joey & Milt

Joey & Milt, thank you so much for your thoughts and memories. Our  
family's and your family's joys and special occasions that have been  
celebrated by us together were always cherished and enjoyed by my  
mother so much. She loved you both and it is those memories that we  
all have to remember her with. Thanks for being such great friends!  
Love Joe

“ I will always have fond memories of my parents friends from my childhood home town of Mt. Clemens, Mich. Mrs. Gersh (Evelyn) was always so loving and my husband Howard and I were so honored to have them come to our wedding in Sedona, Az in 2006. It meant a lot to my parents (Milton & Tamar Maltz) to have had them come to Cleveland a few years ago to share in the Violins of Hope. Mrs Gersh will always hold a special place in my heart.

You and your entire family were so loved by my mom. She was always so excited when your parents included them in their great special events over the years. Thanks again for reaching out!*

“ Joe and Family,  
I am deeply sorry for your loss. I remember both of your parents as kind, generous and loving people. She lived a long and full life, raising a wonderful family and being married to your dad for 77 years. How beautiful! May her legacy live through you all, knowing her memory will remain in your heart forever.  
Fondly,

To the Gersh family,  
Evelyn was a beautiful woman, both inside and out. I have so many happy memories of times spent together over the many years. You are all such an integral part of my life and I share in the sadness of her passing and the joy of having been a part of your circle of dear family and friends. Love, Harriet

Sorry to hear about your mother. She always had such a nice smile. I actually found a picture in an old scrapbook from my parents recently of her in a group of friends around 1932.

“ *Dear Family Members: Although we do not know one another, it is difficult to ignore the beautiful blessing that your parents enjoyed - to have been married for such a phenomenal number of years! Hopefully it is an omen for the remainder of your family! If your beloved father is able to disclose the formula for this accomplishment, it should earn quite a fortune for the rest of you. May you be comforted by the Al-Mighty amongst the mourners of Zion and Jerusalem!!*
