“ *We were shocked and saddened to hear of Fay's passing. Fay was my second cousin, but we were so close in age that we all hung out together at the JCC in Detroit and of course we were together at all of the Silver side of her family events. My deepest condolences to Larry and her children. She was a lovely person with a heart of gold. She will be missed.*

“ Auntie Fay, or rather, Auntie Faygala as Matthew would call her, will always be remembered in my mind as one that always expressed how much she loved her children and always wanting the best for those that she cared so deeply about. In recent days, I was able to spend a few minutes with Fay as she talked about how much she loved her children and that she wants them to persevere in whatever makes them happiest.

And of course, we will always miss her famous striped jello during the holidays!

We will miss you! And we know that you will always be in our hearts!

Fay was a very special lady. I knew her since she was a young girl and will always remember her laughing and her kind heart. She was a wonderful friend to my sister, Laurie Cohen and genuinely a very kind hearted person. She will be missed by many people.

She was our faygala. She met my sister Laurie in high school and they have been best of friends since. In high school, she was at our house all the time. My father only referred to her as faygala, never Fay. This is a great loss for all of us who loved her.

Fay and I met in high school and we both became Special Education teachers in Detroit. We always would kibbutz and reminisce the "good old days" She was a good_hearted old friend.

I've been blessed to call Fay my friend for over 35 years. It's unbelievable to me that she is gone. She waged a brave fight against a beast of a disease Multiple Sclerosis. The world lost a very special person . Rest In Peace, mydearsweet Faygela
