“ Ms. Lieberman was my eighth grade English teacher in the 1960s. I liked her and thought about her from time to time, so a few years ago I reached out to her. I was pleased and surprised when she responded. I only know her as a teacher, so long ago, but from what I have read I probably would have enjoyed knowing her as an adult too. May her memory be a blessing.

“ Feannie was a close & dear friend to my mother, Elaine Polk, and my late father, David Polk. I remember a number of Friday night dinners at my parents home w Feannie. She always had good stories, a way of telling them that was unique. She was funny, clever, quick witted and an enjoyable person to talk to. My mother will miss her terribly. Sending prayers to all friends and family for peace and wonderful lasting memories. Joy Cantor

Feannie was a unique person in so many ways . She was so willing to share her experiences, her opinions and her very loyal and numerous friends. Those of us who knew her were enriched. She was a survivor and a fighter, conquering her many health issues. I called her my bionic friend. Her very large family were treasured by her, and she will be missed by all of them, her numerous friends and me. May her memory be blessed. Elaine Polk

*Feannie was a long time member of the JCC Womens Health Club. She was so smart, kind and a friend to all. Despite her many health issues which she always handled with grace, Feannie continued to share her presence with all of us. She will be missed by so many. Our condolences to her family and all who will miss her.

*I have known Feannie since we were 5 years old. Although I haven't lived in Michigan for years, have visited many times and Feannie, myself and our forever friends always got together. I spoke with her frequently and will miss her. My condolences to the family.
