“ I grew up in South Bend and my parents and I were close to the Szymkowicz family.  
After my mother, Rose passed away, I would occasionally stay in touch with Fila and she would share advice with me. She had a beautiful heart and her words were always loving and comforting. Growing up, I was closest to her son, Marvin and daughter, Ruth. I am so sorry to hear of her passing. My sincere condolences to Fila's family and friends. I will miss her. May she rest in peace and may her memory be a blessing.

“ I knew Fela because she and my mother met when my niece and her husband lived in South Bend and my mother went to visit them. So when Fela moved here, they were in contact and I met her. I also worked at the JCC in Oak Park so I saw her there as well when she came for programs and we would always have a nice conversation.  
I was very sorry to hear about your loss.
